REPLY

Sir:

In reply to the Office Action mailed October 24, 2002, and in view of the following remarks, reconsideration is requested. Claims 5, 7, 8, 17 and 18 remain in the application of which claim 5 is independent.

The Examiner is respectfully requested to change the attorney docket number to A1998012.

Rejection under 35 U.S.C. 103

Claims 5, 7, 8, 17 and 18 were rejected under 35 U.S.C. §103 in view of U.S. Patent 5,799,150 (Hamilton) and U.S. Patent 6,105,083 (Kurtze).

Under 35 U.S.C. §103(c), Kurtze is not available as a reference because:

- A. it is only prior art to the present application under 35 U.S.C. §102(e) or (f) or (g); and
- B. the subject matter of Kurtze and the claimed invention in this application were, at the time the invention was made, owned by the same person or subject to an obligation of assignment to the same person, namely Avid Technology, Inc.

Kurtze's filing date is June 20, 1997, and issued on August 15, 2000, whereas this application was filed April 3, 1998, making Kurtze available as a reference only under 35 U.S.C. §102(e), (f) or (g) and not (a), (b), (c) or (d).

An assignment of Kurtze to Avid Technology, Inc., is recorded at Reel 9231, Frame 0647. At the time the claimed invention in this application was made, Craig Frink and Andrew Hoar were employees of Avid Technology, Inc., subject to an employment agreement with an obligation to assign all rights in this invention to Avid Technology, Inc. Such an assignment was recorded at Reel 9199, Frame 0560.

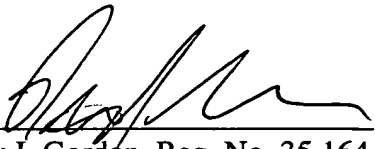

Accordingly, the rejection is traversed.

CONCLUSION

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this reply, that the application is not in condition for allowance, the Examiner is requested to call the Applicants' attorney at the telephone number listed below.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicants hereby request any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 50-0876.

Respectfully submitted,
